Ethnosynergism® - Spark a Symbolic Relationship

MZI Global's use of altruistic marketing is part of *Ethnosynergism®* market system network, an extremely effective strategy that boosts sales and brand reputation while fostering positive consumer /customer attitudes about our client's product and/or service. The psychological, highly suggestive power of cause marketing via *Ethnosynergism®*, leads consumers/customers to feel a meaningful connection with our client's company and its brands. Transactions perceived as personally meaningful enhance the customer's buying experience and reward our clients in brand equity and profits.

Ethnosynergism® Bonds our Clients with Target Communities

Our *Ethnosynergism®* market system network of strategic alliances with over 300 national, social and heritage groups connect our client's brands with communities that they serve and issues that carry the most significance for target segments. MZI Global's partnership with the National Ethnic Coalition of Organizations (NECO) leads our clients directly to over 300 national groups residing within US. These in-cultural bonds enable us to develop tailored, cause-related marketing campaigns to maximize profits.

"The Ethnosynergism® market system approach is highly rewarding, not only for our clients but also for society at large. It starts with our own company's strategy of doing social and environmental good deeds. This altruistic approach creates competing values, strong brand and includes ALL stakeholders in the Ethnosynergism® market system process."

Ethnosynergism® Cultural Awareness and Diversity

MZI advocates that organizations must demonstrate public service leadership and incorporate diversity as core of its strategy. As collaborative partnerships across traditional boundaries become the norm, corporate leaders are required to learn new skills that define their corporate culture and maintain their reputation. To meet this need, MZI Global integrates *Ethnosynergism®* marketing systems as a strategy to target various cultural segments, prevalent in today's society.

Benefits of Ethnosynergism® Approach:

- 360° impact on the Value Chain
- Bond the Client's Brands with Target via deep understanding of their national cultural/heritage
- Increase Brand Awareness & Loyalty
- Increase Target Market Visibility & Sales
- Provide Competitive Media Relations
- Enhance Corporate Image
- Improve Employee Relations, Morale & Dedication
